Rosie Cooper, a cash register solist in a hash house, listens to a society dame spill a speech about "Kind Deeds" will bring you good luck and adds it to her fund of flapper wisdom. Rosie is a wise kid all right, but it takes her some time to see through a shiny young thin model gent by the name of Harry, while her honest baker's boy sweetheart, Freddie Smith, drowns his troubles in hot rolls. But fate has a way of exposing the back side of silk-front shirts, and 24-karat guys like Freddie Smith can't be given the air with impunity -- all of which Rosie finds out in less time than it takes to pay off the instalments on a paste diamond ring.
